The University of Guam recognizes that some mature individuals need specific courses for personal enrichment or professional advancement and do not require degree programs. The following option is for such individuals only.

An applicant who has not been a full-time secondary student for at least four years, or who is enrolled in a degree program at another institution and does not wish to enroll in a degree program at UOG, may apply for admissions as a non-degree student. Applicants who are enrolled in degree programs at other institutions must provide certification of enrollment and academic standing from other institution in order to be accepted as a non-degree student. A non-degree student is not required to submit high school or previous college records, or to take placement examinations except for entry into courses in English and Mathematics.

A maximum of 30 credits taken by a student in non-degree status can be accepted toward fulfillment of a degree program at the University of Guam if the student meets the following requirements:

- An Undergraduate Application for the Admission for Degree Seeking Students must be submitted to the Admissions Office. The student must complete all requirements for admission, as would a degree-seeking student.

- Prerequisite courses not completed while the students were in non-degree status must be satisfied before the requested courses can be applied toward a degree program.

- After completing two consecutive semesters of study as a degree seeking student and after completing the appropriate prerequisites, the student must submit a request to the Admissions Office asking that courses taken in non-degree status be applied toward a specific degree program.

Courses taken in non-degree status are taken at the student’s risk, without regard to formal prerequisites. Non-degree students may sign their own registration forms but are urged to seek the advice of the course instructor. Enrollment is subject to availability of space and instructor’s concurrence.

Students seeking degree at other institutions should determine in advance whether courses taken at UOG will be accepted by their official advisors.

If you are currently a Graduate Studies status, and wish to change to Undergraduate non-degree status, you must officially withdrawal from Graduate Studies Office.

**Note:** Non-Degree students are not eligible for federal financial aid.

For more information on non-degree status, please refer to the UOG Course Catalog or call the Admissions Office.
STUDENT RESIDENCY POLICY
As revised by the Board of Regents on April 09, 2012

For tuition purposes, students are classified as resident or nonresident. The Registrar certifies the residency status. The considerations used in determining Residency status are as follows:

✓ Establishment of a domicile on Guam or in one of the Freely Associated States (the Commonwealth of the Northern Marianas Islands, the Federated States of Micronesia, the Marshall Islands, or the Republic of Palau) as mandated by 17GC16125. (a) for a period of twelve month prior to the beginning of the term for which residency is claimed, or

✓ Evidence of residency for a period of twelve months or more prior to the beginning of the term for which residency is claimed. Evidence of residency will be shown by a student providing documentation from one of the following:

- Permanent employment on Guam (verification of employment)
- Payment of income taxes of Guam (by student, or by parent/guardian if the student is a dependent).
- Ownership or rental of living quarters on Guam.
- Continue to use a Guam permanent address on ALL RECORDS (educational, employment, military, financial).
- Retain your Guam voter’s registration.
- Maintain a Guam driver’s license or vehicle registration. If it is necessary to change your license or registration while temporarily residing in another location, the license MUST be changed back to Guam within 10 days of the date of return to Guam, and the vehicle registration must be changed within 20 days of the date of return.
- Village Mayor’s certification of residency.

✓ Adjustment to Permanent Resident Status
Students who have filed for an Adjustment to Permanent Resident Status will be eligible for resident rate only if they have resided on Guam for twelve consecutive months prior to applying to the university and have submitted the following supporting documents:

- A Notice of Action for the Adjustment to Permanent Resident Status from the USCIS.*
- Proof of residency (documents to prove living on Guam for the last twelve months prior to applying to the university).

*A Notice of Action denying the student’s application for an Adjustment to Permanent Resident Status will render the student ineligible for resident tuition rate.

The burden of proof is upon the student making a claim to resident student’s status. The admission of students who knowingly provide false information for the purpose of achieving resident status shall be subject to cancellation and adjusted billing.

Complete the “Petition for Residency Student Classification” before the deadline of the semester or term you wish to enroll. Approved changes of status will become effective for the term or semester following the approval; they are not retroactive, and no refunds will be given.
