MINIMUM QUALIFICATIONS:

• High school diploma or GED
• Must be currently enrolled as an undergraduate student

QUALIFICATIONS REQUIRED:

Pursuant to Public Law 26-87 as amended by Public Law 29-113, all future employees of any position within the government of Guam will be required at minimum to possess one of the following:
1. A high school diploma, or
2. Successful completion of General Education Development (GED) Test, or
3. The equivalent of a general education high school program; or
4. Successful completion of a certification program, from a recognized accredited or certified vocational technical institution, in a specialized field for the job.

KNOWLEDGE, ABILITIES, AND/OR SKILLS:

Must have the interest and desire to work in areas of research on sustainable agriculture and horticulture. Ability to work at the field, plant nursery, and horticulture laboratory. Must be able to learn about science research procedures. Must have strong time management skills and ability to adhere to assigned schedule procedures. Must have a flexible schedule to work weekends and holidays if needed.

CHARACTER OF DUTIES:

The Research Assistant I will assist with conducting of research experiments in horticulture and sustainable agriculture. Duties include assisting experiment set-up, maintenance, data collection, data analysis, and write-up of result summary.

EDUCATION:

Applicants claiming degrees or credit hours are required to have an original or certified copy of the documents (e.g. transcripts, high school diploma or GED certification) accompany the application.

WORK ELIGIBILITY:

Submission of completed job applications authorizes the University of Guam to seek and obtain information regarding the applicant's suitability for employment. All factors which are job related may be investigated (e.g. previous employment, educational credentials, and criminal records). All information obtained may be used to determine the applicant's eligibility for employment in accordance with equal employment opportunity guidelines. In addition, the applicant releases previous employers and job-related sources from legal liability for the information provided.

Section 25103, Chapter 25, Title 10 of the Guam Code Annotated requires college or university employees to undergo a physical examination, to include a test for tuberculosis (skin or x-ray), prior to employment and at least annually thereafter. A report of such examination must be conducted by a licensed physician within a state or territory of the United States and must be submitted upon request.

Federal law requires presentation of eligibility to work in the United States within seventy-two (72) hours of reporting for employment. Specifically, 8 USC 1324A requires the employer to verify the identity and eligibility to work in the United States of all newly hired employees. The University of Guam is required to comply with this law on a non-discriminatory basis. If you are hired to fill a position within the University of Guam, you will be required to present valid documents to comply with the law.
