Planning and Preparation for an Emergency Situation

The following document serves as procedures for student services provided by Enrollment Management and Student Success Division:

Student services will continue in the event of a partial or full campus closure. In preparation, EMSS staff will develop plans to ensure the continuity of student support. Faculty should assess students in their courses to determine the best delivery method for courses during a partial or full campus closure. The EMSS Dean's Office will serve as the central operations center for all student services. The dean's office will validate all unit-level COOPs and provide for guidance and directives for refinement throughout the planning, preparation, execution, and recovery phases of the operation. The following appendices are enclosed for a more detailed description of the services provided across the EMSS division:

- Appendix A: Admissions and Records
- Appendix B: Financial Aid
- Appendix C: Academic Advisement for Undeclared Students
- Appendix D: Student Support Services (TRIO)
- Appendix E: ADA Accommodations
- Appendix F: Behavioral Health Counseling
- Appendix G: Student Health Services
- Appendix H: Residence Halls
- Appendix I: Student Life Office
- Appendix J: Career Development
- Appendix K: Athletics and Recreation
- Appendix L: Upward Bound
- Appendix M: Educational Talent Search
- Appendix N: UOG AmeriCorps Volunteer Center
- Appendix O: Thesis Submission Guidelines

Continuity of student services

If local or campus officials determine that additional steps need to be taken in response to a community outbreak and to prevent further spread of the disease, the following guidance is provided for the continuity of student services:

Alternative Delivery Options: During a partial or full campus closure, the following platforms have been identified and are supported through existing technology at the university:

- Synchronous options—
 - a. Conference phone lines for up to 25 people with 24 available conference lines available.
 - b. Skype for Business - All Office 365 accounts can message and call each other using Skype.
 - c. Big Blue Button - A Moodle activity can be created to use Big Blue Button for a scheduled session. (Five maximum concurrent sessions.)
 - d. Zoom meetings for courses can be scheduled with 20 rooms available for use simultaneously. Meetings can be recorded for upload on Moodle.

Admissions and Records:

Students can register via web-advisor—Should a student encounter an issue when attempting to register for a course(s), the student may send a request for assistance via email to admitme@triton.uog.edu using their @gotritons account. A representative from the Admissions and Records Office will contact the student and provide assistance.

Flags due to intrusive advisement: Faculty who have students with registration flags due to intrusive advisement will email admissions and records office at: admitme@triton.uog.edu in order to lift flags. Admissions and Records representative will lift the flag to enable student to register for classes.

Withdrawals—Student will have to download the withdrawal form at: <https://www.uog.edu/student-services/forms>; complete it, sign it, and attach a photo ID, and then using a @gotritons address email it to transcripts@triton.uog.edu.

Note1: *BEFORE March 17, 2021:* It requires only the advisor’s approval. We will accept the e-mail approval from the advisor via email to admitme@triton.uog.edu. Upon receipt of the complete document, Admissions & Records will process it and inform the student via email that withdrawal has been processed.

Note2: *AFTER March 17, 2021:* It requires BOTH the instructor and advisor’s approval. We will accept the email approval from Instructor and advisor via email to admitme@triton.uog.edu. Upon receipt of the document, including approvals from both instructor and advisor, Admissions & Records will process it and inform the student via email that withdrawal has been processed.

Voluntary Withdrawal submission deadline is March 17, 2021

Petition to Withdraw submission deadline is May 14, 2021

Grade reports and graduation

- Via WebAdvisor—Ensures that graduates have fulfilled all requirements
- Accept application for degree via email: transcripts@triton.uog.edu
- Students can view their academic evaluation via WebAdvisor.

Financial Aid Office:

Submission of Required Documents—Students may submit most required forms over e-mail, using their Go Triton e-mail accounts.

In the case where a student is selected for verification purposes: The option for the form “Statement of Education Purpose” which must be signed in front of a financial aid officer would be to zoom in so that the Financial Officer can witness the signing of the document or be notarized prior to submitting via e-mail.

Withdrawals from courses. Financial Aid Office will review and authorize course withdrawals over e-mail, using the Go-Triton e-mail account

Financial Aid Services

- Telephone and e-mail support will be available throughout any closure/shutdown period, unless specified by UOG.
- Zoom or Skype may be used in cases where face to face communications is required.
- All other student FA inquiries can be answered by student logging on to their Self-Service account.
- Primary e-mail address is finaid@triton.uog.edu

Academic Advisement for Undeclared Students:

Student Advisement: Faculty will make themselves available for student advisement via email, Zoom, Skype or other communication. Additional advisement may be provided by the appropriate Dean’s office.

The EMSS advisement center will be available for undeclared students and will remain open and via email, phone, or Zoom. We are committed to the success of each students by providing effective academic advising services and resources to support their academic career at the University of Guam. Feel free to contact any of the EMSS academic advisors:

Ms. Sallie Sablan – sssablan@triton.uog.edu; (671)735-2460
Mr Lorenzo Eduvala – eduvalal@triton.uog.edu; (671)735-2271;
Ms. Arline Leon Guerrero – arlinelg@triton.uog.edu; (671)735-2442.

Advisements hold flags can be removed individually or in whole by the Registrar’s Office for registration purposes for any of the programs who wishes to do so. Contact the Registrar’s Office admitme@triton.uog.edu to make these arrangements.

ADA Accommodations: The EMSS ADA Accommodations office will identify, coordinate, and communicate approved and/or modify accommodations within alternative delivery methods accessible for students who are registered for accommodations.

The ADA counselor will:

- draft Faculty Notification Letters (FNL) specifying approved accommodations and email updated FNL to the student and professor(s); also send FNLs to student and faculty when no additions or modifications are being requested;
- monitor receipt of updated FNLs; monitor students on a weekly basis to ensure student access to accommodations;
- contact professors on a weekly basis to ensure delivery of accommodations;
- accept New Intake student request for accommodations via phone, email, Zoom and/or other accessible platform;
- accept via email Documentation of Disability; ensure accommodations request forms are available on the EMSS webpage.

Behavioral Health Counseling: Isa Psychological Services Center will be the primary provider of services for students. The center’s licensed Clinical Psychologist will be available for emergency response on campus or in the community as needed. Intakes with will be conducted by phone and/or Zoom. Students will be evaluated to determine the level of need for services and assigned to one of the three options listed below:

1. **Temporary suspension of services** for clients who are not in crisis and able to go without therapy sessions for a few weeks;
2. **Telehealth** (phone) and/or **Zoom** (video) therapy sessions for clients requiring consistent mental health services;
3. **In-person** services for clients who are suicidal or in crisis refer them to other emergency services (call 911).

Student Health Services: The student healthcare office will review and update emergency evacuation plan and establish listing of community healthcare clinics (i.e. Department of Public Health, Social Services, Guam Memorial Hospital/Guam Regional Medical City Emergency Department, Private clinics, etc.). The office will also stockpile necessary supplies (i.e. face mask, tissues, alcohol-based hand sanitizers, etc.) and other Personal Protective Equipment (PPE) and designate isolation room to isolate Students with symptoms of COVID-19.

During an outbreak, the university’s Community Health Nurse will be available primarily for providing care to students at the residence halls. The nurse will administer temperature checks to every student residing in the

dorms each morning (Monday- Friday; RAs will administer the temp check on weekends) until the end of the outbreak. The nurse will also assess and advise the dorm director on continuous enforcement of sanitation practices. Hourly check-in/assessment of dormitory students for any signs and symptoms of COVID-19 will be conducted Monday-Friday between 9:00 to 12:pm.

Residence Halls: Dorm residence will be advised of changing conditions throughout the outbreak. Residence Halls director will be the designated Area Team Leader with RA administrator as the deputy Area Team Leader. Every floor in each hall will have sub- area team leaders who will be in constant communication with residents. Students who desire to check out from the dorms will be permitted and pro-rated with room and meal plans fees.

Vendors will be instructed on new protocols:

- Food vendor will be instructed to deliver meals in packaged containers for distribution (lunch and dinner).
- Gas vendor will be allowed to refuel gas tanks for heating, etc.
- Student Store will be closed until “all clear” is announced.
- Vendors will be allowed to restock drink vending machines.
- Janitorial services will continue until suspended by vendor.
- Trash will be dispensed in dumpsters vicinity the dorms.

SSS will ensure

students continue to gain access through the following deliver options: online through Moodle, phone conferencing, online video conferencing (Skype for Business, Big Blue Button, or Zoom), recorded lectures (via Big Blue Button, Zoom, or Voice Thread), or through a third-party content provider (Coursera, Khan Academy, or LinkedIn learning).

Moodle is the primary virtual platform and is in-synch with the university's transition plan for using such platform to conduct classes. Moodle shell has been established for all TRIO registered and active participants. See Appendix D of EMSS COOP for more detailed instruction.

TRIO Upward Bound: The TRIO Upward Bound office will follow the policies and procedures set by UOG and the Guam Department of Education (GDOE) regarding contact with students and providing services, including GDOE travel policies. Students, parents, GDOE contacts, and other stakeholders informed of changes to work schedules, activity/ event cancellations, rescheduling of program services, and other updates using the communication method outlined. Trio Upward Bound office will:

- contact U.S. ED TRIO Program Officer regarding the current situation and the impact it will have on providing delivery of services given school closures by GDOE and UOG
- close office for service to the public as per UOG policies and procedures during the given timeline
- Provide alternate form of delivery for program services using available resources and technology. For example, email handouts or website links that students may use to practice for the ACT testing. Assistance may also be provided using video chat, Google Classroom, or other academic/ instructional resources available online.

TRIO Educational Talent Search: Upon official notice of pandemic outbreak all TRIO ETS participants will be notified to follow GDOE protocol from their school principals and teachers. All services will then be continued via phone call, email, WhatsApp Messenger, and/or social media. TRIO ETS will coordinate with GDOE schools and begin virtual sessions as required.

UOG AmeriCorps Volunteer Center: AmeriCorps coordinators will work with ServeGuam Commission on any guidance for creative transitioning of any student efforts to virtual platform. UOG AmeriCorps Volunteer Center will also coordinate with ServeGuam Commission on any request for changes to all focus areas, to include capacity building and service contribution dealing with the outbreak.

EMSS Office Hours: During a partial or full campus closure, office hours must be maintained at current levels (6 hours with reasonable access every week) and can also be held using email, Zoom, Skype (available using Office 365 account) or other platforms.

APPENDIX L: UPWARD BOUND (TRIO)

UNIT LEADERSHIP SUCCESSION (CHAIN OF COMMAND OR INCIDENT COMMAND STRUCTURE)

TRIO-Upward Bound (UB) will follow UOG's general Incident Command Structure (ICS) to execute UOG's Pandemic Management Plan and UB'S Continuity of Operations Plan (COOP) during this crisis. The flow of information and actions to be taken will be delivered as shown in the flow chart:

Unit Operational Function

Upward Bound (UB)'s primary function is to provide **academic support services** to high school students enrolled in the college prep program. Services are provided at GDOE schools and UOG campus. **In the event of school closures or UOG campus closures**, UB staff will:

1. Cancel school sessions, workshops, and other events.
2. Reschedule activities that may be completed at a later date in the program year. Or,
3. Provide alternate activities using available resources such as online activities, email handouts, and social media.

Unit Objectives

The objectives to achieve with the COOP:

1. Provide student services using available resources and technology;
2. Provide a safe and healthy environment for the program staff, students, and other stakeholders by following recommended guidelines from credible sources;
3. Continue routine program operations such as procurement, processing of vendor payments, and manning of office as much as possible. However, the COOP may be impacted due to staff absences as a result of quarantine, illnesses, leave, and current vacancies.

Communication Methods and Staff Contact Info

- Phone (Call Tree using the listed phone numbers, if needed)
- Email
- Text Message
- Social Media (UB Facebook page, WhatsApp, Instagram) and/ or
- In-person communication with the acceptable social distances recommended (10 feet).
